

TEXAS PUBLIC PURCHASING ASSOCIATION

APPLICATION TO HOST A TXPPA FALL CONFERENCE

OVERVIEW:

One of the goals of the Texas Public Purchasing Association (TxPPA) is to sponsor activities that provide its members with knowledge for efficient procurement. In the furtherance of that goal, TxPPA provides three educational events each year; a TxPPA Spring Workshop held in Austin, a TxPPA Summer Conference held in South Padre, and a TxPPA Fall Conference held in a different Texas location in an effort to make educational opportunities more accessible to public purchasers around the state.

Last year the TxPPA Fall Conference was held in Odessa, this year it will be held in College Station, based on this application process the site 2010 has been selected-San Angelo; however the Conference sites for future years are yet to be determined.

The TxPPA Fall Conference is hosted by a member or group of members in the region selected. The TxPPA Conference Committee plans and coordinates the Conference activities and the TxPPA Professional Development Committee plans and coordinates the educational sessions and speakers. However, the Member Host works closely with both committees and the TxPPA Executive Board and plays a key role in planning and organizing many of the Conference activities and their involvement is vital to the success of the Conference.
